Historical Journey

PUTOVANJE KROZ POVIJEST

Abbazia. Hotel Quarnero.

HOTEL KVARNER

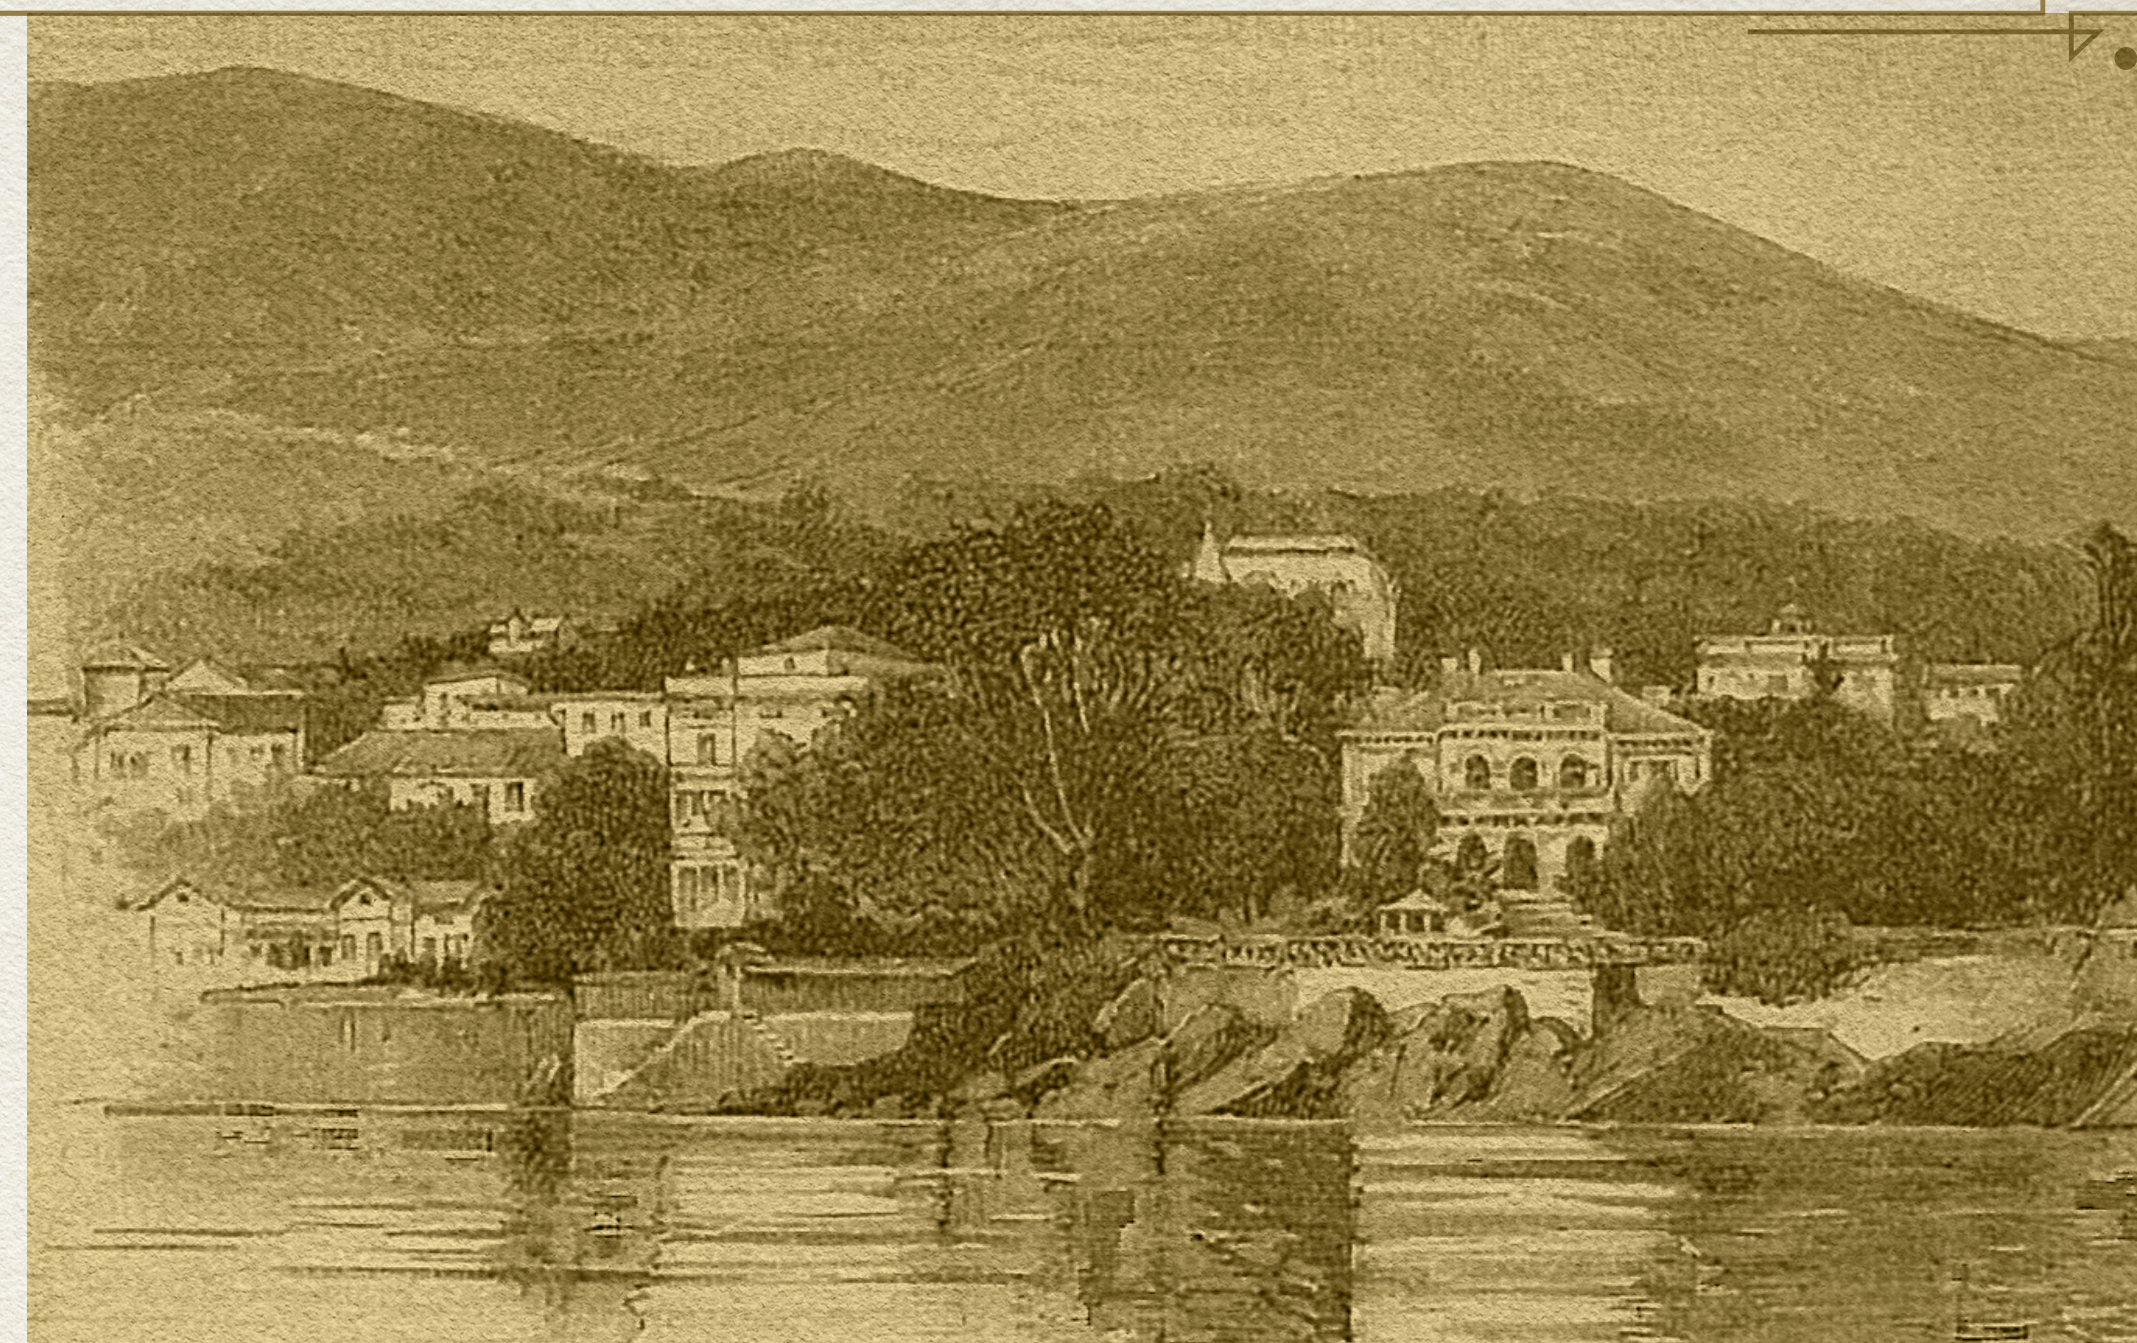

Hotel Kvarner is the oldest hotel in Opatija and on the eastern Adriatic coast. It is one of Opatija's most famous landmarks and stands out due to its distinctive neoclassical style.

Hotel Kvarner je najstariji hotel u Opatiji i na istočnoj obali Jadrana. Jedna je od najpoznatijih opatijskih znamenitosti i ističe se prepoznatljivim neoklasicističkim stilom.

VÄRME SEEBÄDER

1873

Construction of a railway junction from today's Pivka in Slovenia to Rijeka, with the stop in the town of Matulji, which marks the start of Opatija's rapid transformation into a popular tourist destination.

Izgradnja odvojka pruge od današnje Pivke u Sloveniji do Rijeke s postajom u Matuljima, čime počinje brza transformacija Opatije u popularno turističko odredište.

1882

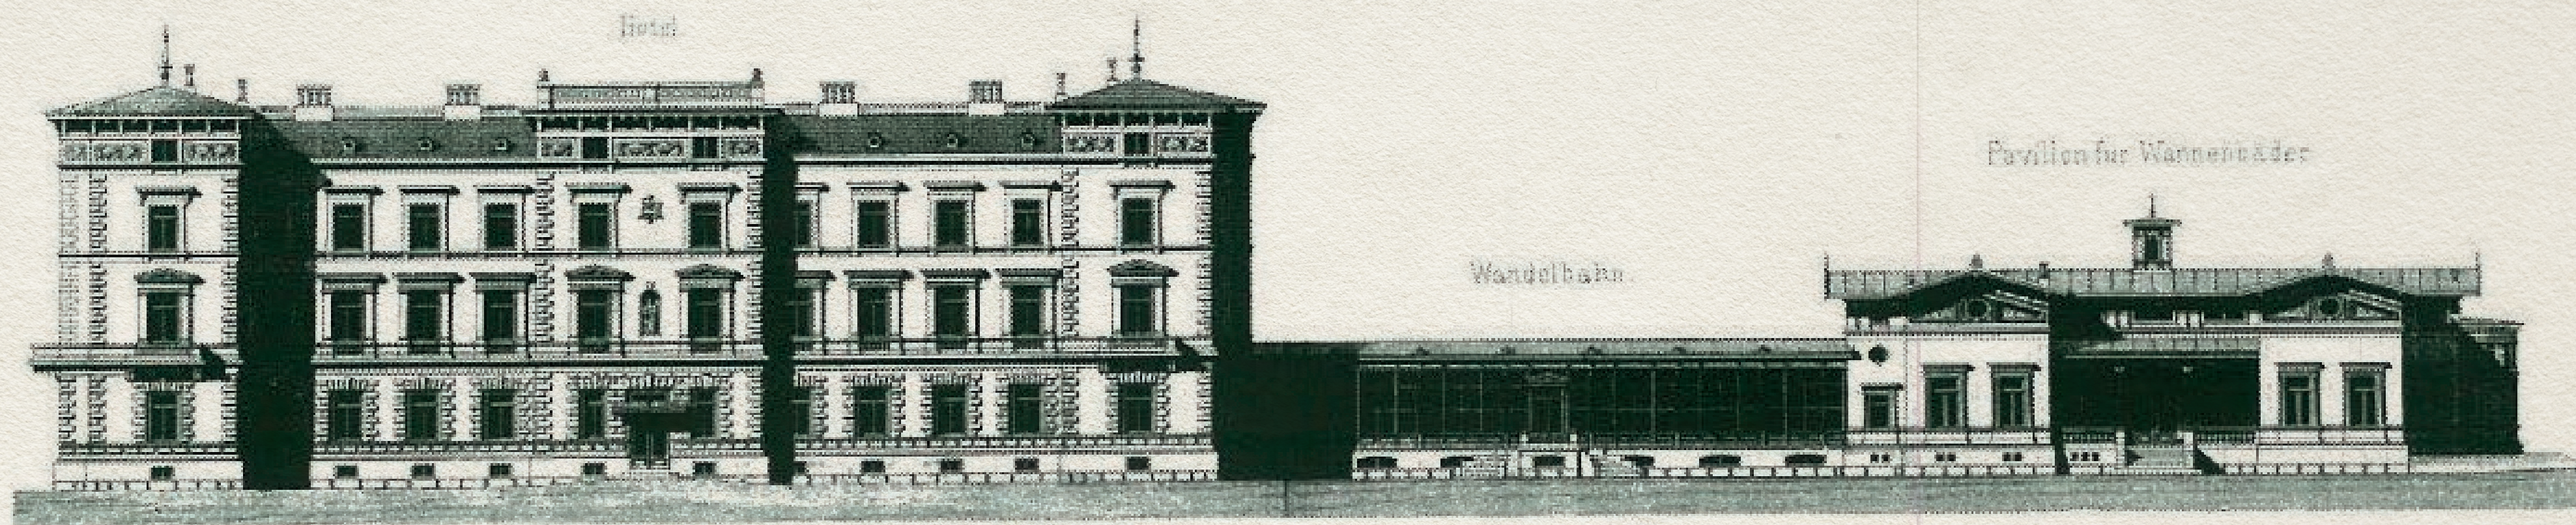

Friedrich Julius Schüler, director of the Southern Railways Society from Vienna, started the construction of hotels, villas, and baths in Opatija with the intention of transforming it into a climatic health resort.

Friedrich Julius Schüler, ravnatelj Društva južnih željeznica (Südbahngesellschaft) iz Beča započinje s gradnjom hotela, vila i kupališta u Opatiji s namjerom pretvaranja grada u klimatsko lječilište.

2803

Hotel Kvarner (*Quarnero*) was built, originally as a health sanatorium for the wealthy Viennese.

Izgrađen je Hotel Kvarner (*Quarnero*), prvotno kao lječilište za imućne Bečane.

1884

Hot baths (Warmbäder) were constructed, as well as an indoor corridor (Wandelbahn) with the most elegant coffee house in the world connecting the baths with the main hotel building. Bathhouse Angiolina, the location of “cold baths”, was built.

Izgradnja toplih kupki (Warmbäder) povezanih s glavnom hotelskom zgradom putem natkrivenog hodnika (Wandelbahn) s najelegantnijom kavanom na svijetu. Izgradnja kupališta Angiolina („hladnih kupki“).

Hotel und Kaffee Quarnero

1889

The Austrian government declared Opatija as the first climatic seaside resort on the Adriatic coast.

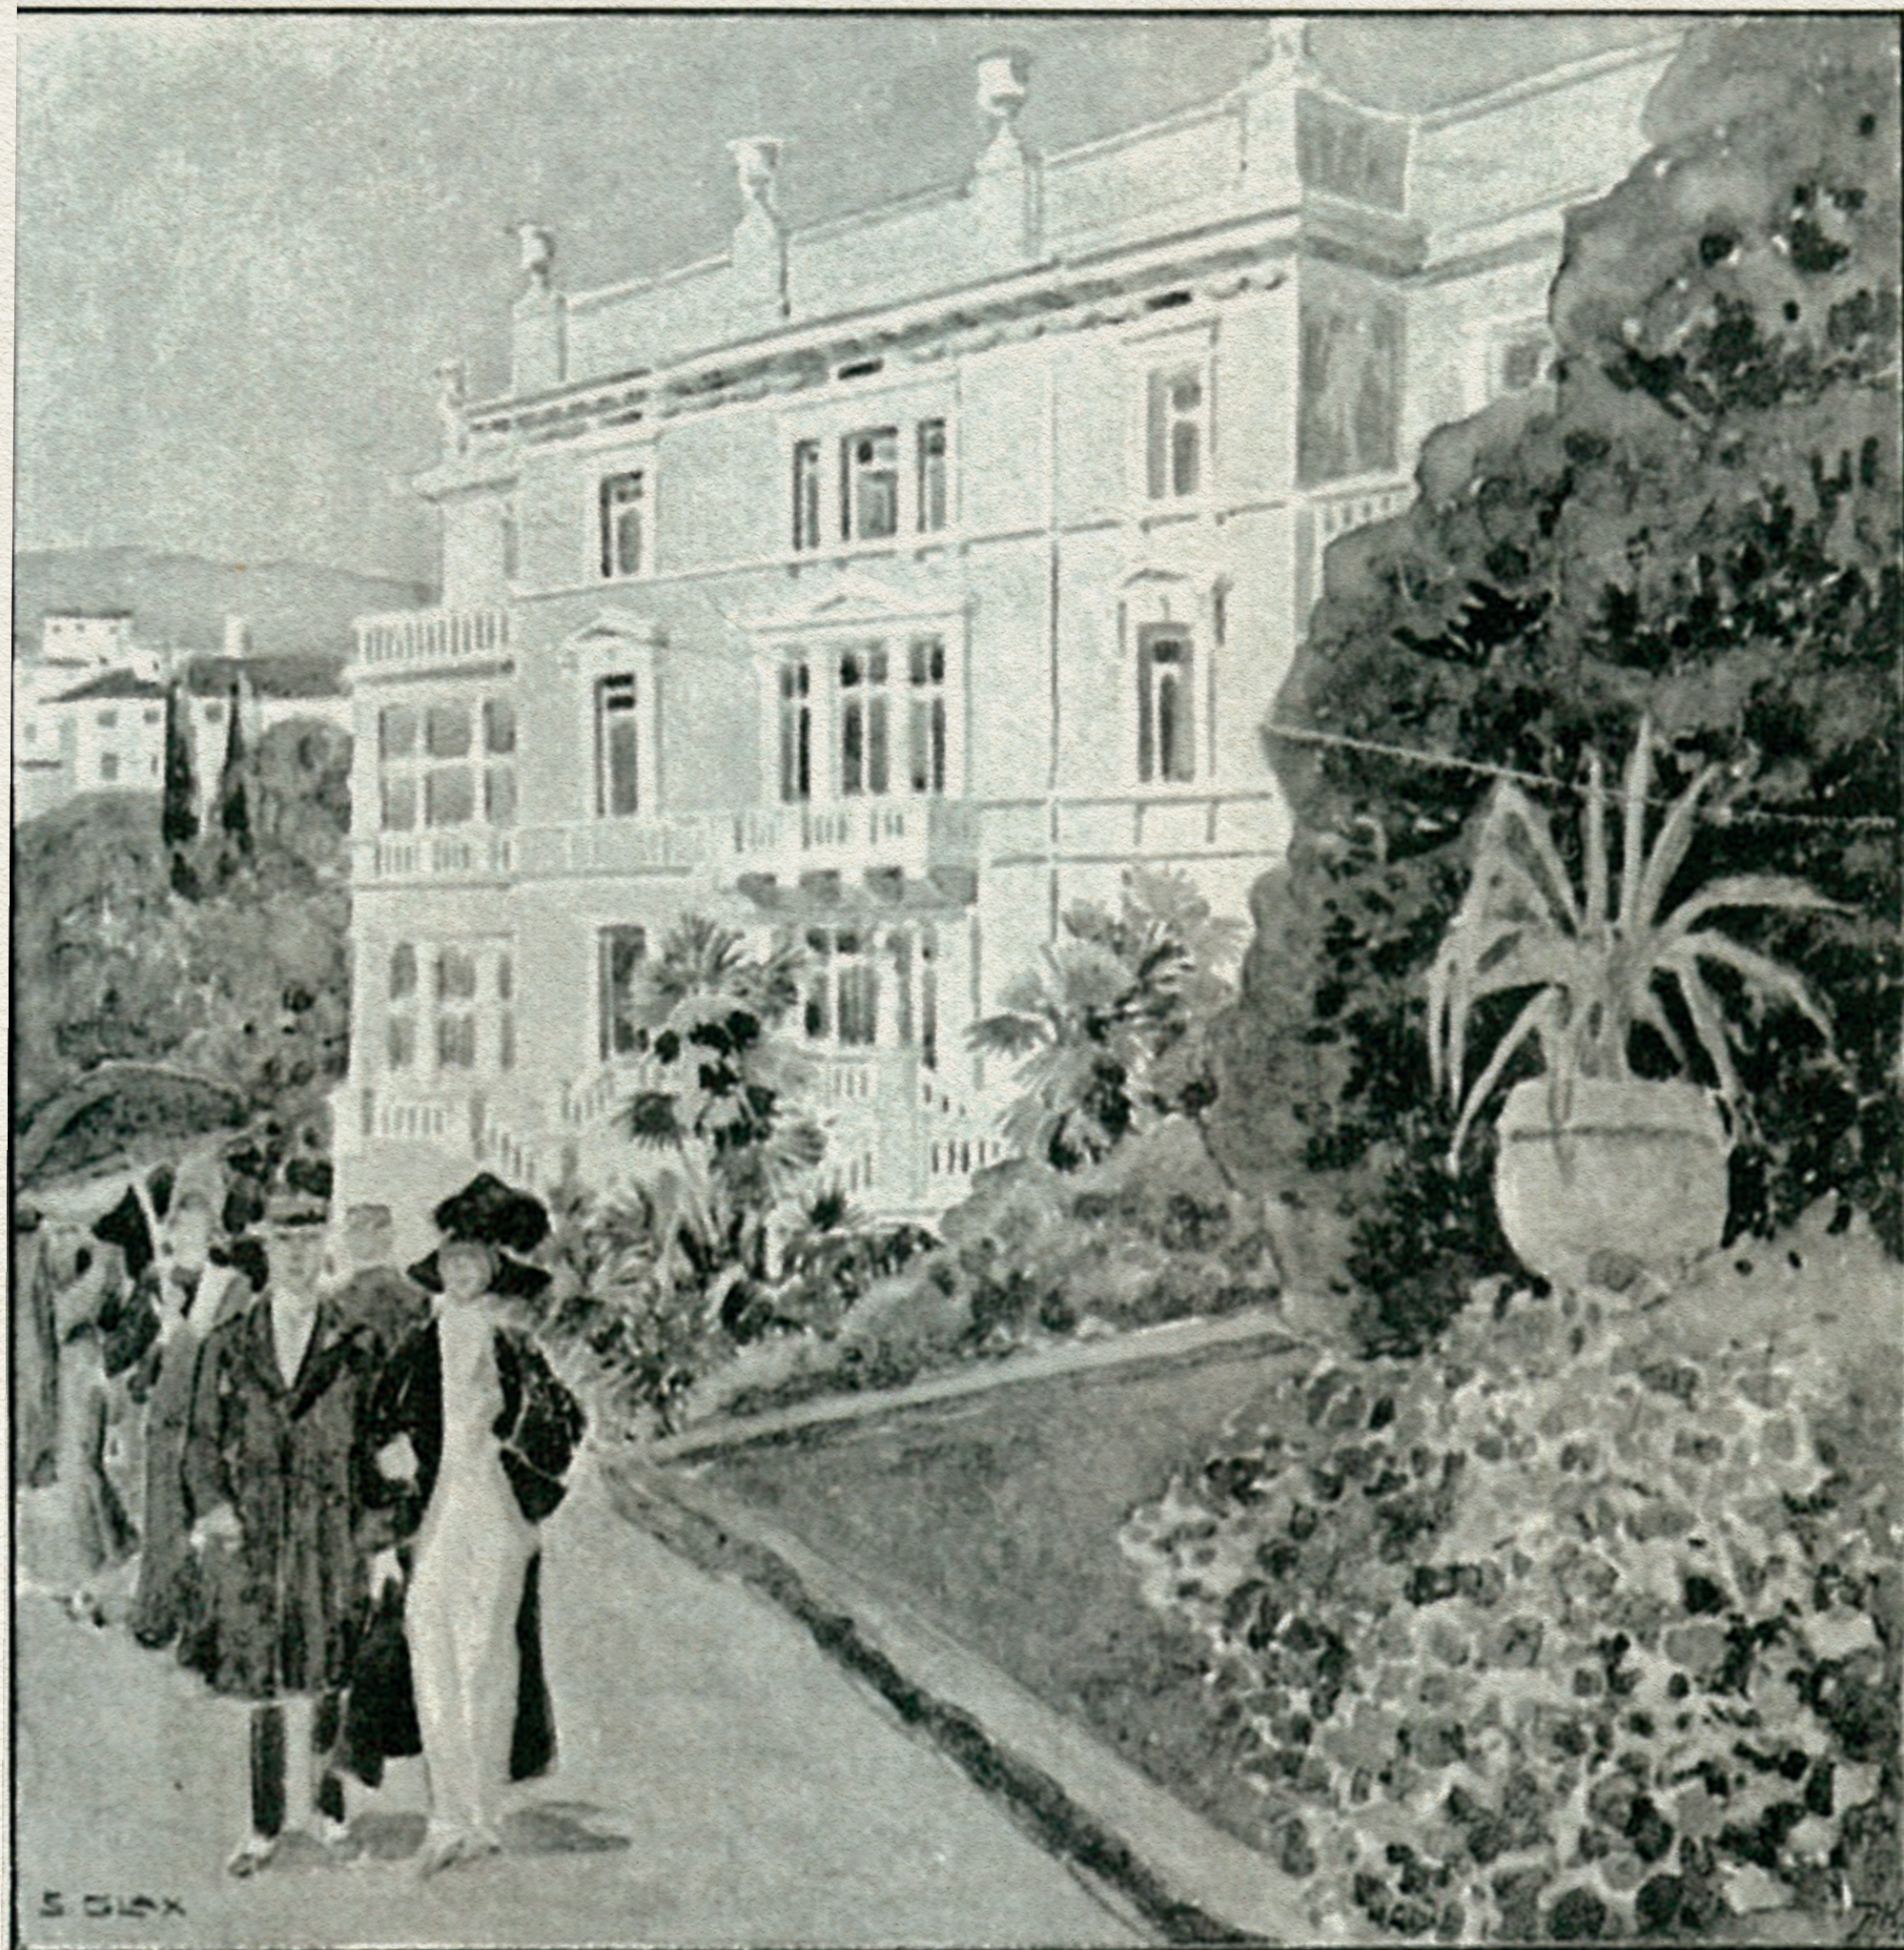

Austrijska vlada proglašava Opatiju prvim klimatskim lječilištem na jadranskoj obali.

1889

Villa Amalia, today Hotel Kvarner's annexe, was built for the wealthy and demanding clientele who expected a high level of luxury.

Villa Amalia, danas depandansa Hotela Kvarner, izgrađena je za bogatu i zahtjevnu klijentelu koja je očekivala visoku razinu luksuza.

1913

ABBAZIA - Giardino davanti Hotel Majestic e Quarnero

The magnificent Crystal Hall known for its luxurious crystal chandeliers was erected in place of the hot baths complex which burnt down in a fire in 1909.

Na mjestu kompleksa toplih kupki koji je izgorio u požaru 1909. godine podignuta je veličanstvena Kristalna dvorana poznata po svojim luksuznim kristalnim lusterima.

1927 - 1930

Third floor was added
to Hotel Kvarner.
